IMPORTANT

This is a guide only and there may be some small adjustments to times of each carnival as we are unable to foresee any operational or scheduling changes that may occur unexpectedly each day.

After each carnival the used area is cleaned, we endeavour to reopen the pool for Members and Guests as quickly as possible. We thank you in advance for your patience whilst this occurs and apologise for any delays.

Please note there will be no lap swimming in the allocated pools/lanes during the above hours
There will always be at least 5 lap swimming available in the 25m pool whilst carnivals are on.
